

Museum of Long Island Natural Sciences

Directions from the South: Take Nicolls Road North, turn left at the South Entrance onto South Drive. At the light, turn right onto Marburger Drive. Continue on Marburger to the rotary. Go around the rotary to Circle Road (heading west). Turn right onto Campus Drive. Students are dropped off by the bus shelter and walk down the path around the ESS Building (indicated on the map below in orange) and enter through the main doors. Buses must wait in the South P lot (indicated on the map below in blue). Accompanying cars can park in the H lot (indicated on the map below in green) with use of permits from us.
